ARAPAHO ANNOUNCES LIFTING OF TRADING HALT

Vancouver, British Columbia – Arapaho Capital Corp. (TSX-V: AHO) ("Arapaho") is pleased to announce that the trading halt relating to the common shares of Arapaho is expected to be lifted prior to the opening of markets on September 30, 2009 and that the common shares are expected to resume trading on the TSX Venture Exchange (the "Exchange") on that day. Pursuant to the policies of the Exchange, the trading halt was imposed on May 25, 2009 prior to Arapaho and Malbex Resources Inc. ("Malbex") announcing their proposed business combination (the "Proposed Transaction"). The Proposed Transaction will be effected by way of a three-cornered amalgamation whereby Malbex will amalgamate with a wholly-owned subsidiary of Arapaho and shareholders of Malbex will receive common shares of Arapaho on the basis of one common share of Arapaho for 1.5 common shares of Malbex.

Arapaho and Malbex are currently addressing further comments received from the Exchange regarding the filing statement required under Exchange policies to be delivered to Arapaho shareholders in connection with obtaining their approval of the Proposed Transaction. Arapaho and Malbex do not anticipate any issues in addressing these further comments and expect to submit a revised filing statement to the Exchange shortly. The filing statement must be approved by the Exchange before it is delivered to Arapaho shareholders.

Malbex has previously obtained shareholder approval of the Proposed Transaction, and each of Malbex and Arapaho have completed their due diligence investigations in connection with the Proposed Transaction. The approval of the Proposed Transaction by Malbex shareholders and the completion of satisfactory due diligence were conditions precedent to completion of the Proposed Transaction.
